### **CAMEROON CRICKET FEDERATION REPORT**

**2020**

#### **SOME 2020 ACTIVITIES BEFORE COVID19**

Board Meeting held

1st deployment of coaches to some schools

Coaching clinics and equipment distribution to schools

Cricket Inter-schools tournament, Youth Week Cricket Bonanza and official launching of the 2020 Cricket Sports Season in Cameroon.

Senior Men's Team were in camp preparing for various Int. events before COVID 19

#### **SOME ACTIVITIES DURING THE COVID 19 PERIOD**

Joint Board Members, Some Club Captains Development Meetings – physical meetings held within the framework of social distancing respect. These meetings were to brainstorm, exchange on ways and means of keeping fit and active during the confinement period and strategizing on post covid19 way forward plans. This brought the concept of "Compound Cricket" going on now.

Distributed COVID19 protective material to workers at the Federation and to National Team Players.

Coaching videos have also been distributed to national team players and domestic club players

Local Cricket Equipment which will be used during the post covid19 era were also fabricated.
