Our Guiding Principles

5 key Strategic Imperatives

01

Promoting the game of Cricket at all levels (Male & female) through grassroots development in the six geo-political zones.

02

Upgrading infrastructure in key locations in line with international standards and making modern equipment available to players at all levels.

03

Establish strategic partnerships with other key stakeholders, notably, sponsors, media and international cricket bodies.

04

Improve the quality of our players and officials at all levels through regular local and international competitions and development events.

05

Maintain appropriate Governance and Finance structures to ensure we run a sustainable business of Cricket.
